Sorry for the late response. Absolutely! Fred and I plan to split up and do a bunch of these trainings hopefully at all the watershed coalitions. We will be in touch over the next few weeks to set it up

Hi Newt,

Just want to make sure my question below hits your radar screen. I've highlighted in yellow.

Best wishes,

Patty

Hi Newt,

Will you be able to circle back round to CT River region on this NOI training as it seemed you were in pilot phase when you talked with us about it? I could put invite out to wider audience, including consultants and would expect a large turnout. We could host here at PVPC.

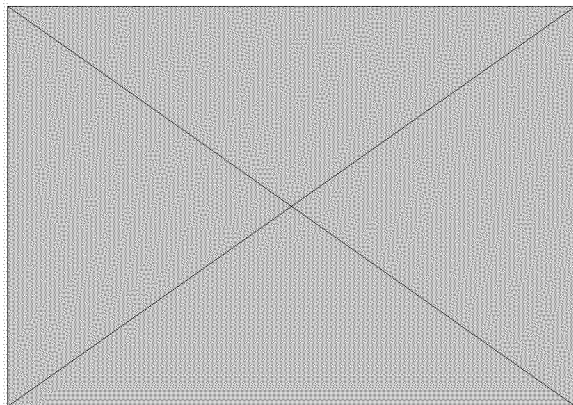

Please let me know.

Thanks,

Patty Gambarini

**Join us for training on the Notice of Intent (NOI) template for the
NPDES MS4 permit.**

The Massachusetts Statewide Stormwater Coalition is hosting a pilot training workshop on the Notice of Intent (NOI) template for the NPDES MS4 permit on Tuesday, May 9, 2017. Newton Tedder of EPA will walk participants through the preparation of their NOI including a live demonstration of the fillable template. EPA and MassDEP staff will be on hand to answer all questions related to the NOI and the MS4 permit. EPA and MassDEP plan to roll out additional trainings after this pilot training.

NPDES MS4 NOI Workshop

May 9, 2017

1:30 p.m. - 3:00 p.m.

at Central Massachusetts Regional Planning Commission

2 Washington Square - Union Station

Worcester, MA 01604

Please RSVP for this training by May 8, 2017 to the Public Education Committee at kr@framinghamma.gov

CMRPC, 2 Washington Square - Union Station, Worcester, MA 01604
